JOY International values your visits to and interaction with the JOY Web site. Because of this, we want you to know what we do with any personal information you give us through our Web site-- and what we won't do with that information.

Where We Request Personal Information from You

E-mail list subscription pages. "Volunteer" pages. Donation forms.

What We Do

All information gathered from fill-in forms on the JOY Web site is sent to the JOY offices in Conifer, Colorado, for processing and fulfillment of any requests.

In some cases information gathered from fill-in forms may be temporarily kept in a secure database on our server for later retrieval. All such information is periodically deleted from the database.

An e-mail address used to subscribe a person to one of JOY's e-mail lists is held securely on our server. Such compiled e-mail lists are available only to JOY International.

Names and addresses submitted through online forms are added to our communication database, and will receive news of JOY events and ministries.

What We Don't Do

We do not sell or rent personal information gathered from the JOY Web site to any third party.

We do not "trap" e-mail addresses from unsuspecting browsers on the JOY site.

We do not keep credit card information on the server.

We do not release personal information about any JOY site visitor unless first requesting permission from that person.

E-mail list subscribers may unsubscribe themselves at any time by using the subscription page or by sending an email to Info@JOY.org
